REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The invention as claimed is not disclosed or rendered obvious in view of the prior art of record. The prior art of record fails to teach or suggest, alone or in combination, the claimed protective cover having the three positions in a mobile device having a touch screen/surface for receiving input commands, wherein the protective cover is transparent to enable viewing of information displayed on the touch screen in the first position or the protective cover includes apertures for providing input commands to the touch surface in the first position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references cited in the IDS of June 22, 2005 have been considered and are deemed to be no more pertinent than the prior art already of record.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Harry S. Hong whose telephone number is (571) 272-7485. The examiner is normally off on Wednesdays.
